

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

This project has a significant impact on our entire community as our Hall is used or hired at least twice per week, so on average the numbers on a annual basis are 5000 (100per week x 52 = 5200 people) utilising this space each year.

Describe the main findings in your evaluation of the project/event; describe how your project/ event benefited the community:

Having completed this project it has ignited another project to collaborate with us & have a training program (in building with RTC) work with us beautify our building & made some planter boxes in an effort to stop the graffiti to our building. But it's about creating a safe place for our community to gather.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:

As attached.
