In regard to Opuia Hall – Annual Community Hall Information requested

We held our committee meeting on Wednesday 16th March as I advised and the request for information on the Opuia Hall was discussed.

The Opuia Community Hall is NOT a Council owned facility and is not on Council owned land. The Hall is owned by the Opuia Hall Society. As such, we are happy to provide general information on the Hall and contacts, but are not obliged to provide other statistics.

The Form provided did not have room for all details, so I have included them here.
