The Williams House and garden is an Historic venue. Since 2007 the Friends have managed and cared for the gardens, out buildings and Upstairs area. Projects completed include the restoration of the Stone Shed, Pump and Pump Shed and Garage. The pump now provides water for the gardens and a viewing door has been installed so visitors to the garden can see a working pump. A garden trail with signs leads visitors through the garden pointing out the historic features. In 2017 the Friends working with Workshop E established the " Old Stone Shed Museum " This is opened daily along with the pump shed for visitors to enjoy. Our new project is an extension of the work already completed. The exhibition will broaden the stories told in the Stone Shed Museum and provide the on going story of the historical site. It will feature the history of the area and the family that lived in the house. Those who will benefit from this is the wider Northland community, the tourist visitors to Paihia and it will add value to the community by providing another activity for all at no cost. The Exhibition will be open to the public during the Paihia Library hours. That is monday to Friday 9-5pm and Saturdays mornings.
