☐ Yes ☒ No

—

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

B.O.I Animal Rescue have offered a free desexing scheme to people who have dogs in our community for several years now. The cost of a spay is usually \$350 & dog contraception is \$220 per dog. In just the first 4 months of this year we have neutered 110 community dogs, this has cost us \$17,000. We rely purely on donations from the general public & funding from F.N.D.C, Pub Charities etc. Our desexing Scheme is ongoing & we will never not offer this to our community (although we would dearly not have to!) This benefits our whole community, there are less stray unwanted animals in our neighbourhoods + on our streets. We find that through this Scheme we talk to people who would not normally come to the vets, so we can educate them on how to care for their animals.
