Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

☐ Te Hiku ☐ Kaikohe-Hokianga ☒ Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date
Location Time

Will there be a charge for the public to attend or participate in the project or event? ☒ Yes ☐ No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

The Kerikeri Pistol and Rifle Club was started in 1990 by enthusiastic locals who wanted to be able to participate in the sport of pistol shooting in a safe and controlled manner. They built a range at Redcliffs Road, Kerikeri where the club has grown over the years and has maintained an impeccable safety record.

The Club holds a current membership of 35 members, all local people and range from professional hunters to professionals in the local community, with an age range of 14 to 79 years old, and a mix of male and female members. This includes a number of families where all members of the family participate in shooting.

Pistol shooting is one of the biggest shooting disciplines in NZ and has approximately 5000 members. As responsible pistol shooters we are required to shoot at a certified pistol range only (i.e., pistols cannot be used anywhere other than a certified range).

Pistol shooting in New Zealand is the most tightly regulated and controlled shooting discipline. It is unique that the club committee have to review and approve members ensuring that they maintain safety and competency with firearms.

Members are required to attend a minimum of 12 shoots a year to retain their licence. Prospective members go through a strict vetting process. All shoots require a certified range officer to monitor members and ensure the highest standard of safety.

Unfortunately for Kerikeri Pistol Club we received notification from the Redcliffs Road landowner that as of December 2021 we were no longer able to continue at this location as the land adjacent to it was under development for domestic housing.

We therefore needed to find an alternative location and were fortunate to collaborate with other shooting clubs in our area and found a suitable location in Oromahoe Road which we have been developing since January 2022. A lot of work has already been done by club members to get this area suitable for use as a pistol range (including considering safety aspects and applying for safety certification through Pistol New Zealand and NZ Police, and adding gravel to the driveway). We envision further development will include shelter over our shooting points and at a later stage, perhaps a club room. We already have a shipping container to use for storage of range equipment and targets.

Kerikeri Pistol Club also supports relevant youth groups such as the Kerikeri Cadet Unit. This unit does not have its own approved shooting range for the cadets to practice their rifle shooting and therefore they use the Kerikeri Pistol & Rifle Club range.

We also welcome other interest groups and potential members and hope that this move to a larger area will mean that we can grow our club.
