Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

☐ Te Hiku ☐ Kaikohe-Hokianga ☒ Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date
Location Time
Will there be a charge for the public to attend or participate in the project or event? ☐ Yes ☒ No
If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

The Kerikeri entranceway is arguably the Far North's most strategic entranceway with 11,000 vehicles per day using Kerikeri Road, 110,000 visitors using the BOI Airport and more than 8,000 vehicles passing through on the State Highway each day. This key entranceway has lacked investment in it since the roundabout was first constructed.

The roundabout instead is used regularly by vehicles doing doughnuts in the centre, unsightly hoarding signs and "for sale" vehicles on the corner, topped off with the often unkept and unmaintained grass berms.

Since our original funding application back in April 2022, we have worked hard on reducing the cost of the project, by using local suppliers for plants (given at wholesale price), a local reputable landscaper to undertake the work and Waka Kotahi agreeing to maintain the gardens at no extra cost to us once planted.

This was because the landscape plan was designed to be low maintenance and yet high impact.

We have sought feedback from the community regarding the design and it has been very positive.

Whilst the sculpture has had its fair share of controversy, this application is for stage 2 of the entranceway and separate from the sculpture. It is however designed with the sculpture in mind so that they work together. All safety matters have been considered and the landscape plan approved by Waka Kotahi.
