- I am still receiving ongoing complaints about the increase of burglaries in the area.
- There has been an increased Police presence noted during the day.

This being our last CB meeting for the triennium I would like to thank all fellow CB members for your contributions, time & commitment as part of the team over the past 3yrs. Together we have achieved & supported many projects & events within our communities & have left plenty on the table for new members to work with. Thank
