Kia ora Llani,

Can you advise if you have received any other feedback for all the other names that were put forward in that spreadsheet that I sent some time ago and if you managed to get any feedback for the Retreat Bay Road Paihia one as I am submitting the reports as cut off day is tomorrow.

Thank you for Matua Kipa's feedback for the Kerikeri report.

Mihi nui,

I think so as Aish was asking me too. Might need to get a direct email for Matua Kipa for these instances.

Selina – Im slightly worried with when we receive these that we do send to Matua Kipa with no context and asking for the sign off basically. I understand the timelines were tight this time but for future what would be your lead in time in receiving these to us having to approve them?

Kia ora Matua Ted and Llani,

I apologise for the late notice, but I am in need of urgent help.

I need hapu/iwi feedback on the road names suggested below for my report due last week actually.

I have been on bereavement leave for my niece/ daughter, her partner and my moko who were killed last week in a horrific car accident in Whangarei and I returned back to work yesterday to finish off a bit of my mahi.

If you are able to assist, that would be much appreciated.

Road Suggestions are as below:

Wai Tui Way – The Waipapa Stream runs close to the properties that use the ROW and Tui are plentiful in the area and an orchard (now disestablished), was once named Wai Tui orchard was established on the site some 50 years ago. There is currently a small vineyard established along part of the ROW named Wai Tui Vine yard.

Gumview Lane – Huge gum tree can be seen from the ROW.

Oak Tree Lane – A large oak tree is situated at the entrance to the ROW.

Thank you,

Mihi aroha,

Selina Topia
