19	1089 Broadwood Road, Broadwood	No	30 years is too long. This whenua was part of a land settlement under Te Rarawa. I would like to know who has the legal title, as this information has not been transparent in this consultation. Who owns the land? It does not belong to FNDC so who will be granting the 30 year lease if passed. I would like the following items addressed and communicated with the community before any decision is made as this has not been made available to the public: Land ownership: Before granting any lease, it is essential to understand who owns the land. The community needs to be aware of the ownership status of the land. It is necessary to have clarity on who holds the legal title of the property. Community impact: What impact will the transfer of ownership of the land have on the community should the title be transferred to another entity? Terms of the lease: The terms of the lease need to be carefully considered and communicated before a 30 year lease is granted. Who will FENZ be paying for the lease of the land? The FNDC or the title holder? Length of the lease: The length of the lease is also important to consider. 30 years is a long time, and I would like to know if there has been any Iwi consultation given the land was part of a settlement. Transparency: The community should ensure that the process of granting the lease is transparent. There should be clear communication on the decision-making process and the rationale behind it. The community should have access to information regarding the terms of the lease, who owns the land and the impact on the community. Overall, the community needs to carefully consider the impact of granting a 30-year lease to FENZ and ensure that the terms are fair and transparent. It is essential to have a clear understanding of the ownership of the land and evaluate the benefits and drawbacks of the lease before making a decision. I would also like to know what comms, panui, signage or information has been communicated to the public advising who the rightful owners of the whenua are and acknowledging the original custodians of the land prior to this consultation process.			I support the FENZ service and understand that it is an essential service for the Broadwood Community. However, 30 years lease is too long.	No
