## Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

- Te Hiku
  Kaikohe-Hokianga
  Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity  Date

Location  Time

Will there be a charge for the public to attend or participate in the project or event?  Yes  No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

- Youthline Auckland operates a free, 24/7 national Helpline for young people in need. Last year we received 142,000 texts, calls and emails through the Helpline which is staffed by over 200 volunteer counsellors.

- Many of the young people who contact us are disillusioned, disengaged and desperate. They are growing up in a rapidly changing world and dealing with many challenges which often leave them feeling shut off from the world and believing that there is no way out of their situation.

- Last year we worked with 41,000 individual young people. We link them with the help they need and we offer support services and positive role models to encourage, motivate and inspire young people to reach their full potential and create a resilient community.

- An estimated 420 young people aged 15-24 years contacted us from the Kaikohe-Hokianga area. There are 1,980 15-24 year olds living in the area which means that 1 in 5 of young people in your area contacted us for help.

- In this digital world, phone, text and online are key means of connecting with young people. So it makes no difference if the young person is in Rawene and the counsellor is in Auckland or Invercargill. We counsel and refer. We encourage the young person to connect with support in their community. We provide information regarding services available in their town. We work collaboratively with local support agencies in your towns to provide the right sort of care for these vulnerable young people. Often we are the only service a young person in a rural area will have access to that is free, anonymous and accessible on a youth-friendly platform.

- We are working with complex issues. More young people are presenting with mental health issues than ever before. And of these, more are presenting with suicide issues than ever before.

- We expect a similar level of contact in the ensuing year.
