The growing opportunities here at the village and diverse relationships that are following can only bring positive successes to the area.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

This has been a very expensive yet rewarding project.  
A fantastic outcome for our community has recently surfaced.  
A young student attending Teen Parent Unit (18 with a small child) has a dream. She is gaining business credits and will complete her work experience hours here @ Pioneer Village. This has potential to become a long term relationship with benefits to both parties - exciting times ahead.
