

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

Wow what a transformation 😊 Volunteers and visitors alike are already using the carpark that sense of safety is most definitely working, new volunteers have assisted with gates and rails, another relationship and community built through over the fence conversation. Bringing together the people.

Describe the main findings in your evaluation of the project/event; describe how your project/ event benefited the community:

A higher sense of security, a cleaner looking entrance
visitors with smaller children feel more comfortable
unloading and loading. We are yet to have a school
group visit but will be excited when they can bring the
bus in through this entrance with options to drive on
a continuous route through the village. Campers are yet to be
invited as the security lights and signage to be erected.

beautification and signage ongoing volunteer work ☺

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:

Car park signage is still to come, and Community
board will be acknowledged here for all users to see.
