

## **Chairman's Report**

### **Kaikohe Hokianga Community Board**

**Meeting Date: 4 March**

#### **Recommendations Contained in Report:**

That the Kaikohe-Hokianga Community Board note that the FNDC does not have a water strategy for Kaikohe

#### **Water Strategy:**

After several years of water restrictions in normal years in Kaikohe, in 2019 the board twice requested a copy of a Kaikohe Water Strategy.

The chair was recently advised there is no such document.

Therefore I recommend that the board resolve:

That the Kaikohe-Hokianga Community Board note that the FNDC does not have a water strategy for Kaikohe
