

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

Central Park can now host night games and this has been a highlight for our community as many of our teams have played on Friday night under lights.
The first game ever played under the light was a game between Kaikohe Womens Rugby and Te Rarawa Womens Rugby.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

The project has benefited the community by offering the chance to hold night games of rugby here in Kaikohe. We also have been able to hold the Northland Kauri Womens Rugby Trainings here in Kaikohe. Which brings in players from all over Northland.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:
