Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

☐ Te Hiku ☒ Kaikohe-Hokianga ☐ Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date
Location Time
Will there be a charge for the public to attend or participate in the project or event? ☐ Yes ☒ No
If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

Community members have developed a roadmap for establishing a Men's Shed in Rawene. There is clear community interest. Before a full viability test can be done on options for location and types of building for a Men's Shed, three activities have been identified, two of these activities need funding support. Rawene Area Residents Association is supporting members to take forward these activities. If the project is successful, a formal Rawene area Mens Shed will be incorporated as a separate organisation and good information will be available to inform appraisal of options for investment in the physical Shed and how it should be equipped, etc. This can inform potential further funding proposals to FNDC community fund, or infrastructure fund, or alternatives such as Foundation North. Incorporation of a Men's Shed, with a primary objective of supporting men's wellbeing (through social interaction and shared activities) is important to be able to join the national Men's Shed network and for governance. This project has three parts: first, form a local working group (under way, no cost). Second, incorporate a local Rawene Mens Shed: this requires some legal time to prepare articles of association and to register the incorporated society. Third, although there are other Mens Sheds in Northland, none match the needs of a Shed in Rawene, due to its rural and scattered population. Mens Shed national has arranged for the Rawene working group to visit comparable Sheds in Wairarapa and Manawatu to learn lessons and understand rural Shed needs/viability.
