Why do you support the proposed lease?

Gives pleasure to the community

I am a neighbour of the bowling club and love watching the play. The bowling club is an asset for the whole community.

I see it as an important community asset and would like to see it continue the use it has had.

The Hokianga Bowling Club provides an important point of connection and recreation in our community.

Of particular importance to us as Ngāti Kaharau & Ngāti Hau hapū is the role that it plays in the lives of many of our whānau, kaumatua & kuia, as the club has done for several generations now.

We appreciate the provision of recreation facilities that cater to the needs of the senior members of our

Been a bowler most of my life and also recently moving to Rawene I've been welcomed to the club with open arms. I've enjoyed meeting new people and also helping with new members to bowls to get a good feel

I support extending/ renewing lease on Reserve land to Hokianga Bowling Club.

I support the continuation of the lease. I am a resident of Rawene and fully appreciate the value and history of this building / site.

I know a few of the people that attend the twilight bowls, and it has also been used as a venue for private functions and has run accordingly to plan with no issues arising from the events they have held there.

Why don't you support the proposed lease?
