

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

This grant was to pay for twice-weekly hireage of the Rowene Town Hall for a senior women's exercise class. Between 10 and 20 women attended consistently, maintaining their fitness, health and well-being.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

The "Queenagers" fitness group is comprised of a group of up to 20 women, aged over 50. They meet to exercise in an appropriate supportive, age-appropriate environment, without the financial barrier of having to pay individually for hall hireage. All classes are volunteer-led.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:
