Purpose of organisation

Please briefly describe the purpose of the organisation *

Vision: To build edible organic gardens accessible by every NZer

Mission: To feed the community, teach the community to feed themselves and empower them to feed each other

In the past 7 years we have built 1500 gardens in the back of homes, schools and community areas to help against the food poverty seen in all communities. We teach families in their backyards to maintain and to harvest from their own gardens and we empower them with the knowledge they need to seasonally replant seedlings to ensure their sustained gardening journey

Project Outline:

We plan to register families across Northland (Opononi to Waima) and build edible organic gardens in their backyards.

Materials: pick up from Whangarei Bunnings, Soil: Pick up by the trailer from Waipapa, Seedlings: Sourced locally from the Lands and other growers

We will partner with Te Aho Turoa to write a resource for the families to sustain their mahinga kai knowledge and to continue their gardening with confidence

We will remain a point of contact for anything they may want or need and can be connections to other local help available for them as well

We will reenter the home of each recipient again in Spring to replant the new seasons kai

A direct replica of the plan we have used successfully for two years in South Auckland homes. This plan will be altered slightly to fit the homes and families that live in Northland
