Project Outline:

The Waimamaku Community Garden seeks the support of the Far North District Council Community Board for the operational expenses to continue to run the Community Garden. We have a local contractor that mows around the garden and maintains the grass within the garden. We would like to continue to koha him to cover some of his expenses.

We have hosted a number of workshops that have been really well attended with up to 20 people at each workshop. These are great opportunities to engage with our community and share knowledge with other keen gardeners. These are also really good opportunities to bring in new volunteers. We have hosted workshops on Gardening basics, fruit tree care, food forest design and more. We are requesting funding to run four more of these workshops.

We also require funds to continue to purchase materials and equipment for the day-to-day running of the garden. This includes purchasing seedlings, seeds, compost, soil, tools and other gardening equipment,

The Waimamaku Community Garden has a tool library that is available free of charge for our community. We have a range of tools on offer such as a rotary hoe, pruning tools, a scythe and loppers, We would like to continue expanding on the tools that we have as it is becoming increasingly popular to borrow tools. We purchase high quality tools which saves people money and is sustainable in that people aren't purchasing tools that they will only utilize for a short time.
