

## FAR NORTH RURAL TRAVEL FUND APPLICATION FORM

Schools, clubs or other sporting/activity organisations can apply for this funding. Funding is specifically to subsidise travel to and from sporting competitions/practices within the Far North District for school aged children (between ages 5 - 19 years) with the aim of increasing the number of children participating in sport, provide additional opportunities for participation in organised sport and to improve the development of skills to enable effective participation.

All applications are considered by the Community Boards, and advice is given from Sport Northland Representatives.

Priority will be given to those applications with a focus on providing sporting opportunities to - the appropriate age group, travel to regular sporting competition; competition within the District; funding for the upcoming season; applicants not seeking more than 50% of their total travel cost; applicants that have provided Project Reports for previous funds granted.

### Sports/transportation costs for spring/summer 2018/19

Our school is a Decile 2 rural school with 3 teachers and 44 students - ranging from 5 - 12 years old. Our school participates in our local Eastern Zone competitions .

Participation at these events is limited due to funds. We have allowed for some funds to come out of our very small operations budget but extra funding to help reimburse petrol to parents or pay for a bus would be really beneficial to our students and community.

What event	Where / Km's round trip	How? Bus / mini van / car	Costing
Cricket - non-stop inter-school challenge	Taipa	41.4km round trip	41.4@.77C per km \$31.87 we would need 3 cars to transport students
Beach Safety Whole school	Coopers Beach	45 km round trip	41.4@.77C per km \$31.87 we would need 11 cars or a bus approx. \$150 round trip
Athletics approximately 20 students	Taipa	41.4km round trip	41.4@.77C per km \$31.87 we would need 5 cars or a bus approx. \$125 round trip
Matariki Games Approx 9 students	Kaitaia		Bus \$135 gst inclusive
Eastern Zone swimming(2017) Approx 16 students	Taipa	41.4km round trip	41.4@.77C per km \$31.87 we would need at least 4 cars to transport students
Mini Football Approx 25 students	Taipa	41.4km round trip	41.4@.77C per km \$31.87 we would need 11 cars or a bus approx. \$150 round trip
Ripper Rugby Approx 7 students	Taipa	41.4km round trip	41.4@.77C per km \$31.87 we would need 6 cars or a bus approx. \$150 round trip

These trips roughly add up to \$450 in petrol or bus expenses.

Our school has a put aside \$100

We would like rural travel to provide \$250

Which would leave parents to contribute approx. \$100
