1. What were some of the benefits in having the travel fund approved?

The travel fund is helping towards our swimmers attending and receiving weekly swim training and competing at interclub swim meets with our respected and well liked swim coach.

2. In your opinion did the Far North Rural Travel Fund help your organisation/group increase participation in sport/recreation and/or greater use of your recreational area.

Yes, participation at interclub swim meets has increased which has raised confidence in swimmers and has generated more interest in our swim programs from others outside the club.
