C. DESCRIPTION OF FUNDING ALLOCATION

Our students were able to participate and further their participation status/rate within the sport. We have also been able to allow further participation for students by providing parents with support towards travel through vouchers.

2. In your opinion did the Far North Rural Travel Fund help your organisation/group increase participation in sport/recreation?

Our participation rate has increased across all year groups within the school. We have been able to allow majority of students to participate at all skill levels.

D. FUNDING TIMEFRAMES

Funds must be expended within six months of being received. If funding is not spent as allocated it is expected that the funding will be returned to Council.
