COMMUNITY GRANT FUND – LOCAL – TE HIKU

Receiving a grant to cover our rent from Te Hiku Community Board has freed our volunteers from fundraising for this amount. This has enabled them to focus more on other activities, such as making products to sell for low cost or koha, running seminars, workshops and working bees, all to encourage the development of sustainable lifestyles and households.

With the help of our wonderful team of volunteers we have been able to open the EcoCentre from 10 a.m. – 4 p.m. five days a week. We have had a monthly average of 332 visitors (daily average 16) to our premises, almost double that of the previous year. In January 2018 our largest facebook hit was 800, by December one post received over 2000. (www.facebook.com/EcoCentreKaitaia)

Our work with Kaitaia Timebank, Transition Town Kaitaia, Plastic Free Kaitaia 2020 and Te Hiku Hau Ora Maara Kai – Community Garden involves much interaction with different members of the community, in the process the sharing of knowledge, resources and skills and the building of social, support networks contributes to the development of strong, proud and resilient communities.
