Over the past 7 years Kerikeri Theatre Company has developed a strong following of child, youth & adult actors & practitioners who have had the opportunity to learn new skills and perform to their local community. This will be the first ever opportunity for our team to take their skills on the road, enhance their experience & professionalism, and show a wider audience all of the energy & hard work that goes into the creation of a performance. Similarly, the Far North's rural communities very rarely have the opportunity to engage in high-quality theatre performance within their own community. Kerikeri Theatre Company regularly receives requests from surrounding areas, to offer theatre classes and stage productions in their towns. - Not only will this theatre production reach a whole new audience, it will be an opportunity for Kerikeri Theatre Company to gauge an interest from these communities for all that we offer, with a view to extending our classes/workshops/productions in these areas in the future.
