

Te Hiku Community Board Road Naming Schedule (Private Right-of-way) - 17th November 2020

Kaitaia

| Location | Preference Status | Submitted Road Names | Number of Submitters | Background (provided by submitters) | Comments | Recommendation |
|------------------------------------------------------------------|-------------------|----------------------|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|----------------|
| Name a Private Right-of way addressed at 127 North Road, Kaitaia | First Preference | Rules Way | 1 | <p>The name Rules is suggested because the land surrounding the private right-of-way was originally owned by her grandparents, Evangeline (nee Puckey) and Aubrey Brent in around 1896. Aubrey and Evangeline Brent were the great grandparents of William Gilbert Puckey and Reverend Jeshop Mathews who were the first missionaries in Kaitaia.</p> <p>As there is already a Puckey Ave, Mathews Ave and a Brent Lane in Kaitaia, she would like the right-of-way to be named Rules Way as her and her husband have lived on the right-of-way for 77 years and her husband, Selwyn Rule built the Rules complex and shops in 1961 on the death of her father, Ceric Brent.</p> | | Rules Way |
| | Second Preference | Rules Road | 1 | | | |
| | Third Preference | Rules Lane | 1 | | | |
