- How it will broaden the range of activities and experiences available to the community.

The community of Kaitiaki has for the last 5 years had the CCTV network with KTA Business District and nearby residential streets in full operation with monitoring real time during peak known periods to aid Police in deterring unwanted behaviour. The monitoring of the CCTV network along with the maintenance, upgrading and servicing are all key to the ongoing success of this initiative. The KBA seek assistance from the Te Hiku Community Board to contribute towards the ongoing maintenance and servicing of the camera network. The KBA intend to utilise community groups (KTA Fire brigade) to perform cleaning of community owned cameras. It would be beneficial to all of the community if this funding was provided yearly to ensure the initiative continues. KTA Businesses who have cameras connected maintain their own cameras and also some contribute to monitoring costs.
