- Private road names are considered by Council. They will need to meet Council's Signage Guidelines (white background with blue lettering).
- Names are to be chosen in proportion to the type of road, and in accordance with the Naming Guide at the end of the form
- If you are unsure if the road you want to name is a Council maintained road or private road, please contact the Infrastructure & Asset Management Department.

## GENERAL INFORMATION AND GUIDELINES

Ensure that road names are not duplicated in the Far North District (*both spelling and pronunciation to be considered*); this includes same road names with different suffix. To do this, please use [www.google.co.nz/maps](http://www.google.co.nz/maps) and search "proposed road name (excl suffix) Northland" to check if proposed names may be duplicates.

Ensure that road type appropriately matches the definition of the suffix, such as 'road', 'avenue' etc. Road names without a suffix are now strongly discouraged (e.g. Broadway). The following definitions provide a guide, but please note that other appropriate suffixes that are not in this list may be used.

Boulevard	A wide roadway well paved usually with trees and grass

Glade	Roadway usually in a valley of trees
Green	Roadway often leading to a grassed public recreation area
Grove	A road that often features a group of trees standing together
Lane	A narrow way, path, country road or street. A narrow passage between hedges or buildings, an alley
Loop	Roadway that diverges from and then rejoining a main thoroughfare
Mews	Roadway in a group of houses

Hi Bob,

The plan looks fine.  
We have satisfied 2a), 2b), 2c).

We have not done 2d), the street name application.  
How do we do this? Can you do it for us.

The street name proposed in the RC application was "Te Paia Lane", after one of the local Iwi Kaumatua.

Cheers

Manu
