

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Please return the completed form to: funding@fndc.govt.nz **PDF attachment via email is preferred) OR:**

Funding Advisor
Far North District Council
Private Bag 752
KAIKOHE 0440

Name of organisation:	Awanui Sports Complex Inc Soc.
Name & location of project:	Submersible pump replacement, Awanui Sports Complex
Date of project/activity:	Ongoing

Which Community Board did you receive funding from?

Te Hiku

Kaikohe-Hokianga

Bay of Islands-Whangaroa

Amount received from the Community Fund: \$ 22,794.17

Board meeting date the grant was approved: March 2022

Please give details of how the money was spent:

- Your contribution to the project and the funding you received from the Community Board must be accounted for**
- Attach supplier receipts or bank statements to show proof of expenditure of Community Board funds.**

Supplier/Description	\$amount	Receipt/s attached (please tick)
Kinetic Electrical, Pump supply and install	\$ 22,794.17	bank statement
	\$	
	\$	
	\$	
Total:	\$	

Give a brief description of the highlights of your project including numbers participating:

A highlight has been that we have been able to get council to take ownership of this asset. Something which will see us not have to cover the cost of replacing or reaping this pump in the future. With council taking ownership of this asset they have reimbursed us our portion of paid funds less the funding from the community board. Thank you kindly for your support

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

This pump being active means that our facility and the council rubbish dump will be open regardless of the amount of rain we receive. It is important to note that the last flood we had closed the rubbish dump road so this pump is critical to the whole community, not just our facility.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:

Given council have taken ownership of this asset we are no longer overseeing the project. Project has not been completed. Once project is completed we will be sure to thank the community board through our usual marketing channels.

If you have a Facebook page that we can link to please give details:

Upon project completion we will be sure to promote our completion and thank all of the contributing parties. For now, please accept our thanks and endless gratitude.
