Community Issues

Issue name	Comment
Cycle trail options	Following the December Board meeting we were to hold a zoom meeting but that didn't happen. Workshop scheduled 14/3/23
Parking Mangonui Waterfront Daniel Thompson proposals	Where is this at? What is the board's recommendation?
Submissions	FNDC water and wastewater proposals – submissions close 16 February. Does the Board wish to submit on behalf of its communities? Also Waste management and minimisation – these submissions close on 6 March

Te Hiku Concept Improvement Plans	Close 24 March -we need to remind communities nearer the time. Extension to 9 April 2023
Hihi Meeting	There was a request for a bus shelter, also I was asked to meet with the hall committee. Rangitoto Point – where is the management plan, what progress has been made with redesignation to Historic Reserve?

Requests for Service (RFS)

RFS number	Date	Comment
4136410	25/11/22	Northern Drainage – hopefully this will be discussed at the February meeting
4136490	25/11/22	<p>Request for street light Paradise Road Coopers Beach for safety reasons 02-Dec-2022 Council applied for funding from Waka Kotahi (New Zealand Transport Agency) for a significant programme of Streetlighting improvement across the Far North District works for the three-year period from July 2021 to June 2024.</p> <p>Unfortunately, this funding application was not successful and as a result there is no budget allocated for streetlight improvements for this period.</p> <p>We have entered the request on Paradise Road into our register for new street lighting requests. The register of new requests will be used together with data from a light level survey around the district to prioritise future lighting improvements when budget becomes available.</p>
