Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

Te Hiku

Kaikohe-Hokianga

Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity	Installation & maintenance of CCTV cameras	Date	ongoing
Location	Tokerau Beach, Ramp Road, Rangiputa	Time	ongoing

Will there be a charge for the public to attend or participate in the project or event? ☐ Yes ☒ No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

The community as a whole benefits by the security provided by the presence of CCTV cameras.

Crime has proven to be reduced since the introduction- FMG has provided Police statistics around the reduction in reported crime.

The ongoing maintenance provides clarity for Police to follow up theft, burglary and suspicious activity including drug dealing and antisocial behaviour.

More security makes the peninsula a safer place to live, attracting more people, and growing the economy of the area

Our application is for the full amount of funds required to complete installation of cameras across the peninsula, and for ongoing maintenance.

Fundraising has been halted for the last 3 years due to COVID but the work continues.

A fundraising event is to be held at the Karikari Hall Market Anniversary Weekend and a drive for private donations from householders and homeowners in the area is currently underway.

The committee was hoping to apply and receive funding from the Proceeds of Crime fund but applications were not excepted for this financial year and apparently into next year. The generosity of local residents and Council has helped us to get to where we are today but the work is not done yet!
