The concreting of our car park will benefit all our members including members of the Bowling Club, Pool Club, Fishing Club and Darts Club. It will also benefit members of the community who use the facility on a regular basis for meals three nights a week, private functions including Lions Club, Health Board, Fire Brigade and Diabetic Society.

It will also benefit the FNDC who share the access way to the carpark where they have a sewerage pumping station located.

Concrete will provide a stable footing for all users of the club. Many of our members are in their eighties and nineties. It will also prevent small stones being transferred onto our greens which causes potential damage.
