			<p>access as this has never been formalised and in turn for him to grant Council easement over his land which allows access over a corridor on his land to access the reserve.</p> <p>If one was to use the ROW at the far end of the property the dominant tenements may be required. The public could then access the paper road which takes them onto the reserve. For Mr Palmer, the issue may be security and interference with his farming operations currently conducted on the land. The reserve is definitely worthwhile preserving, but while there is no easy access, difficult to justify spending time and money on creating a management plan that would be difficult to implement.,</p> <p>The current cost to do a basic weed control exercise is \$20,000 (excl. any potential Heritage NZ costs) with an on-going cost being approx. \$5-\$10,000 annually.,</p> <p>04 May 2022 9:07am Gobie, Nina, Ross Baker currently reviewing options to resolve the access issues.</p> <p>06 Mar 2023 11:56am Baker, Marlema Note from Te Hiku Meeting 13 December 2022: That Rangitoto Reserve be included in future action sheets until completion.</p> <p>06 Mar 2023 12:09pm Baker, Marlema Baker, Ross will provide an information report on Rangitoto Reserve, Mangonui to the Te Hiku Community Board for the April 2023 agenda.</p>
