Hihi Seawall	Update required please. This is now a safety issue.
BOI-WHG CB proposed walk	<p>In the local Whangaroa Community newspaper, Bay of Islands-Whangaroa Community Board (BOI-WHG CB) member Bruce Mills included a walk, which is partly on an old bullock track between Totara North and Taupo Bay as a potential new project. I raised it at our April meeting and provided photographs, which are below.</p> <p>I would now like the Board to formally support the proposal as it will give Mangonui residents and visitors to the area another opportunity for exercise and enjoying the outdoors.</p> <p><i>Recommendation: That the Te Hiku Community Board supports the Bay of Islands-Whangaroa Community Board proposed project for a walking track between Taupo Bay and Totara North.</i></p> 

Submissions	After discussion with the Board and providing a draft of issues that concern the Board, I have made submissions on the council's Annual Plan and the Northland Regional Council Annual Plan.
Museum	There has been interest from the public following advertisements for trustees. A selection will be made shortly.
