

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

We had an overwhelming response to the event with 200 registered for lunch hence the upgrade in marquee size. We opened the "Time Capsule Egg" that was sealed 22 yrs ago which was one of the highlights. The ex-students now in there 30's wrote predicting what they would be doing in 22yr and some were hilarious. Seeing the senior ex-students met up with old friends from their school day was also heartwarming.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

Being a small rural school steeped in history, it is very much the heart of the community. The invite for the day was open to anyone and we were thrilled to see so many people reconnecting and reminiscing about their school days and old times and how the school brought the community together to celebrate this milestone event.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:
