The digital sign was installed using funding from the Te Hiku Revitalisation fund for the streetscaping part for Ahipara. Ahipara Aroha are managing the sign on behalf of the community. We do charge businesses to advertise but it is very cheap and we did not anticipate all the trouble we have had with power surges in Ahipara. We have also had a couple of nodules damaged (possibly intentional if someone threw a rock but we have no evidence as no cameras yet). We would like to get a surge protector and have some expenses to get the sign back up and running and as a small volunteer group we don't have the funds. It is a vital messaging system for our community where we not only put business advertising but important community messages about safety, meetings, civil defence etc. We really need assistance to cover some unforeseen expenses needed to keep the sign going in Ahipara. This reaches all the residents and visitors as they enter Ahipara.
